#### ***No Fiscal Impact***

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment establishes a task force to study methods to expand remedies regarding potential liability for unreasonably contested or delayed workers' compensation claims and to clarify the law regarding bad faith handling of workers' compensation claims.

The task force shall submit a report of its findings and recommendations to the Labor and Public Employees Committee by January 1, 2020.

This bill has no fiscal impact as PA 17-236 prohibits transportation allowances for task force members.
